A Card of Thanks . . .

I would like to thank everyone who graciously gave of their time and energy to make this year's Christmas program at Ashton Chapel a great success. A big thanks to all the children who worked so hard to give this gift to you. A big thanks to all the parents who took time out of their busy holiday schedules to see that their children attended practices. A special thank you to the adults who gave their assistance with costumes and staging. I think everyone would agree that the performance by our young people was a delightful demonstration of the true Spirit of Christmas.

Sincerely, Chris Hinshaw

When bad weather hits on Sunday

If really bad weather hits on a Sunday, people should contact any of the board members to check if Church is going to be held or not. We try to have a decision made before 8:00 a.m. on Sunday mornings.
