## **"Auntie" Marge Maxwell**

It should come as no surprise, that when people think of Ashton Chapel Sunday School, the first person they think of is Marge Maxwell. She stands tall, literally and metaphorically, in the church as a shining example

of how one person can touch the lives of so many others through years of service.

Marge was recognized in a brief ceremony recently for her dedication to Ashton through the years as a Sunday School teacher and as Treasurer for Ashton Church Sunday School. She was presented with the dramatic flower arrangement you see in the photo on the left.

Marge remains very active at Ashton. She continues to teach the Preschool Class in Sunday School and every summer teaches the Junior Class in Bible School.
